Applicant						
YUXI JINCAN SCIENCE A	ND TECHNOLOGY C	O.,LTD.etc.				
1. This report is the international preliminary examination report, established by this International Preliminary Examining Authority under Article 35 and transmitted to the applicant according to Article 36.						
2. This REPORT consists of a total of	4	sheets, inclu	uding this cover sheet.			
3. This report is also accompanied by AN	NEXES, comprising:					
a. \Box (sent to the applicant and to t	he International Bureat	ı) a total of	sheets, as follows:			
sheets of the description, claims and/or drawings which have been amended and are the basis of this report and/or sheets containing rectifications authorized by this Authority (see Rule 70.16 and Section 607 of the Administrative Instructions).						
sheets which supersede earlier sheets, but which this Authority considers contain an amendment that goes beyond the disclosure in the international application as filed, as indicated in item 4 of Box No. I and the Supplemental Box.						
b. (sent to the International Bureau only) a total of (indicate type and number of electronic carrier(s)), containing a sequence listing and/or tables related thereto, in electronic form only, as indicated in the Supplemental Box Relating to Sequence Listing (see Section 802 of the Administrative Instructions).						
4. This report contains indications relation	ng to the following item	ıs:				
Box No. I Basis of the rep	port					
Box No: II Priority						
☐ Box No. III Non-establishm	Box No. III Non-establishment of opinion with regard to novelty, inventive step and industrial applicability					
Box No. IV Lack of unity of	Box No. IV Lack of unity of invention					
Box No. V Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability;						
citations and explanations supporting such statement						
☐ Box No. VI Certain documents cited						
Box No. VII Certain defects in the international application						
☐ Box No. VIII Certain observa	Box No. VIII Certain observations on the international application
